2. Sew one "B" piece to each of the remaining two sides of "A".

3. Square up block to measure 8".

Block 2

2. Sew one "C" piece to the remaining two sides of "A".

3. Square up block to measure 8".

4. Repeat steps 1-3, using the (3) remaining "A" squares for a total of four and label "Block 2".

Assembly:

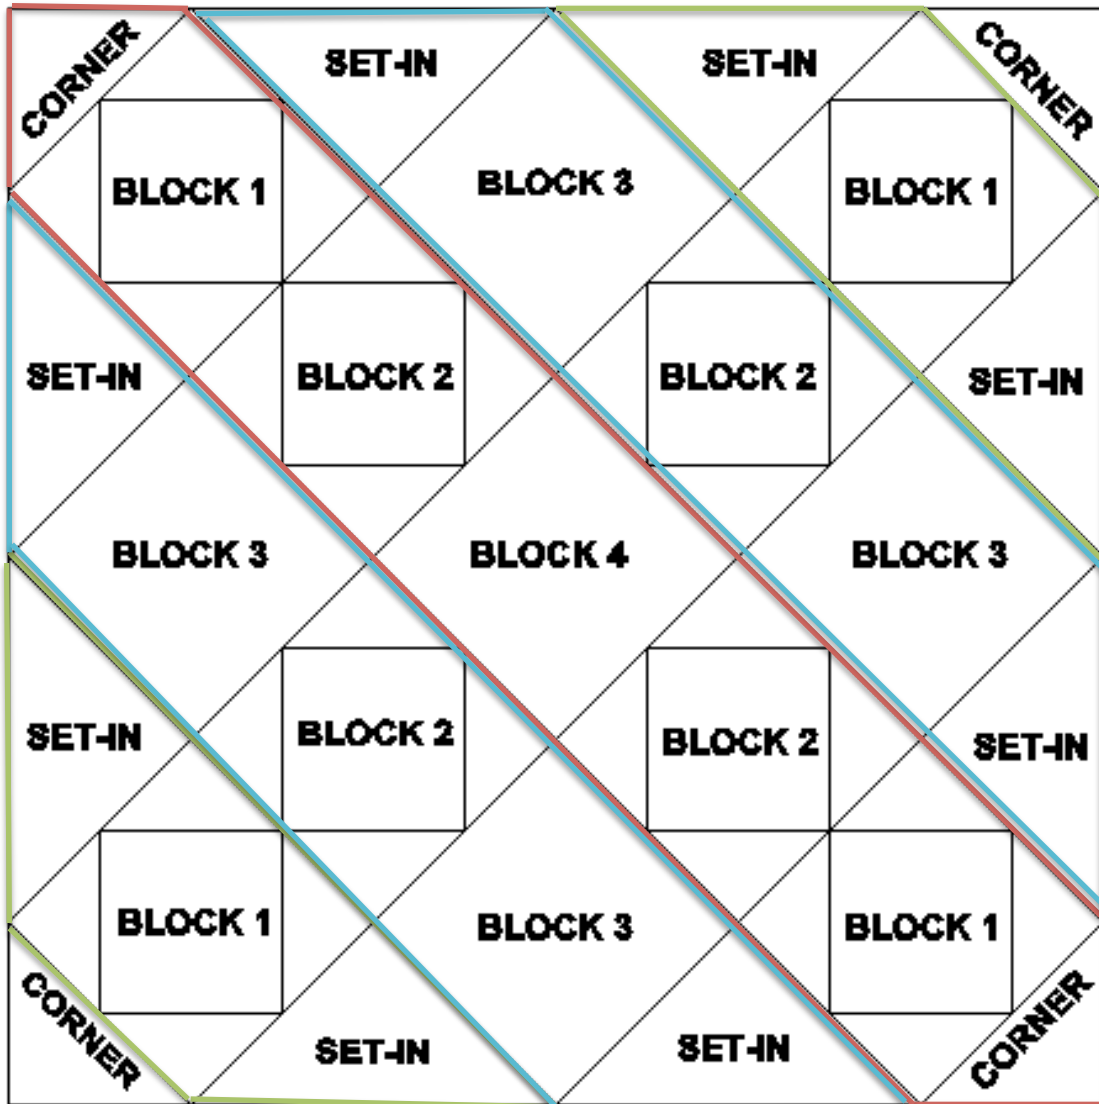

1. Using the quilt image and the quilt layout diagram on page 4, arrange the blocks and then sew them together.
2. Center and sew one "Border 1" strip to one edge of the quilt. Sew in place, beginning and ending 1/4" in from corner. DO NOT trim the excess fabric.
3. Repeat on the remaining three sides of the quilt top.
4. Miter the corners and then trim off the excess fabric.
5. Repeat steps 2-4 above with the "Border 2" strips.

Finishing:

1. Layer the quilt top with the batting and backing and quilt as desired.
2. Trim the backing and batting even the quilt top.
3. Sew the binding strips end to end with a diagonal seam to form one long strip.
4. Press the strip in half, lengthwise, wrong sides together.
5. Sew to the quilt front, matching the raw edges of the binding with the edge of quilt, mitering the corners.
6. Turn the binding to the back and stitch in place.
